

## QUALITY POLICY

SIDERFORGEROSSI GROUP SPA, is a company for manufacturing, machining, heat treating and testing of forgings, drop forgings and rolled rings serving the chemical, petrochemical, gas, nuclear, naval, mechanical, aviation, space and defense industries and fully capable of manufacturing, managing and maintaining of dies for closed die forging.

In addition, the company SIDERFORGEROSSI GROUP SPA is able to manage the design of forgings for the chemical, petrochemical, gas, naval and mechanical industries in general.

HEREBY declares to establish and maintain a fully operational Quality System in compliance with the requirements of the standards UNI EN ISO 9001:2015, UNI EN ISO 29001:2020 and UNI EN 9100:2018.

For this purpose, the Company sets the following objectives:

- a) A constant commitment to pursue Continuous Improvement, creating collaborative and constructive relations between persons and services, employing human and financial resources to achieve the proposed objectives and new opportunities.
- b) Focus on Customer expectations so that the requested products and services are clearly defined and satisfied, paying the greatest attention to the prevention of nonconformities throughout all the phases of the company activities, limiting the non-quality risk below an acceptable target.
- c) Development of the communication and awareness within the organization of the Quality Policy and the general and specific objectives established.

Each employee is called upon to render the System effective related to the processes he/she is involved in, and to make continuous effort to achieve the Quality objectives established by the Management.

The Quality Policy shall be reviewed annually and following any updates, in order to meet the new company requirements.

Arsiero, June 14<sup>th</sup> 2022.
